Known for their unforgettable characters, Alexander's novels are the perfect blend of history, romance, and adventure. Her third and latest story, *Remembered*, is the exciting conclusion to the FOUNTAIN CREEK CHRONICLES, and can be read in conjunction with or separately from the first two books.

*Véronique Girard's father left Paris to seek his fortune as a fur trader in the Colorado Territory, vowing to send for his wife and daughter. But twenty-five years later, his vow remains unfulfilled. With the threat of war hovering over France, Véronique embarks on a dangerous search for a man she scarcely remembers...but what she finds is not what she expected.*
